Dear Stephanie –

On behalf of all of us here at Habitat for Humanity of Suffolk, especially our families, we want to thank you so much for your donation of a roof on one of our Habitat Suffolk homes. And, thank you for recognizing your support in your recent advertisements. Our new partnership along with the GAF material donation is so special. The financial and in-kind support we receive, in addition to the thousands of volunteers who assist us, helps us make a positive impact in many Suffolk County communities like North Bellport, Central Islip, Bay Shore and Mastic Beach... to name just a few of the communities where we build.

As you know, Habitat Suffolk is a non-profit home builder creating affordable home ownership opportunities in partnership with low / moderate income families in need. This week we'll be raising the walls of our 175th home in Suffolk County...continuing to fulfill the dream of homeownership. This milestone is achieved through the hard work of our dedicated board, staff, thousands of volunteers and the financial sponsorships of businesses, faith groups, foundations and individuals like you. As we proudly celebrate the 25th Anniversary of the completion of our first Habitat Suffolk home in Riverhead, we continue to be an important part of the solution to the affordable housing crisis by providing quality, affordable homes to hard-working families and their children.

Habitat Suffolk believes in putting our faith into action by giving our deserving partner families a hand up, not a hand out. Habitat homes and affordable no-profit mortgages allow parents to focus on their careers, children on their education, families on their future. We not only meet an important need for affordable housing in our county, we work with our partner Habitat families through every phase of the process- from application to ground breaking to the move-in day.

Habitat for Humanity of Suffolk is not a giveaway program. It's a partnership. Our mission hasn't changed because the needs haven't changed. Families are waiting, homes need to be built and renovated and communities need to be uplifted.

We thank you, the entire Taylor family and everyone at Four Seasons Roofing for your support and look forward to continuing our special partnership. Your support will give a hardworking, deserving family a safe and decent place to call home, a place to feel secure and a renewed sense of community.
