

NOURISH THE CHILDREN®

AN INITIATIVE OF NU SKIN ENTERPRISES

September 11, 2014

Four Seasons Roofing Inc.
90 Florida Street
Farmingdale, NY 11735

To whom it may concern:

This letter is to express our gratitude for your loyal and significant support of the Nourish the Children Initiative. NTC has provided over 376 million nourishing meals to malnourished children around the world because of generous individuals and organizations like yours.

We commend you on your innovative Four Seasons Fourever Roof program for which your company pledges the donation of one bag of specially formulated VitaMeal for each customer receiving the Golden Pledge Warranty. Your organization has donated over 11,000 meals through this effort. That is 11,000 times that a vulnerable child has been nourished because you have included a humanitarian benefit to your business model. Truly Four Seasons Roofing is a social venture involved in improving the lives of others as well as a successful business.

Each bag of VitaMeal that you purchase and donate is delivered to a qualified 501c3 charity which provides the food to vulnerable children. A bag of VitaMeal contains 30 servings to provide a child with one nutritious meal a day for a month. Not only do you provide nourishment when you donate VitaMeal, our charity partners leverage the food in wonderful ways. In the Philippines and Haiti the VitaMeal is provided as a free school lunch which increases attendance and the student's ability to learn. In Malawi, Africa which has over 2 million orphans, the charity partner agrees with communities to provide VitaMeal to vulnerable children if the community will adopt essential water purification, sanitation and education practices. Every bag that you purchase and donate is making a difference.

Remember that Nu Skin also has a matching program which adds another bag for each 5-8 bags donated. Plus, one dollar from each purchase goes to the Nu Skin Force for Good Foundation which is building schools, training farmers and providing heart surgeries which benefits children in many countries.

We are so pleased to work with you in helping the world's children and wish you all the best to your business and all your employees and customers.

Sincerely,

Brent L. Goddard
Managing Director of Humanitarian Operations
